## Information and Help Guide - ResultsHQ

Mill Park-South Morang LAC uploads weekly Centre Competition and some Championship Results to Timing Solutions online system ResultsHQ. It is a great tool. Here's a few helpful hints to get you started.

### Trying to log in to ResultsHQ?

When logging in you need to use the following credentials:

**Username:** Default is the email address used to register your child with LAVic.

**Password:** Default is the password provided by LAVic when you registered your child.

Login to ResultsHQ <https://resultshq.com.au/Login/Index/>

### Forgotten your Login Details?

No problem! If you don't remember your password, just click "Forgotten your password?" on the ResultsHQ page and you will receive instructions via email.

### Do you want to query a result?

If you have any queries about a result please consult with our Team Manager at the Club Table.

### Can't find a result in ResultsHQ?

Results will be recorded for each event your child participates in. The exception to this is families who have not paid their registration fees prior to the cut off. Cut off is Thursday 8pm.

Results are generally updated on the day of Centre Competition, however, there are instances where results need further verification before they are uploaded. This verification is normally completed by the Monday evening following Centre Competition. Should results not be available on Tuesday please consult with the Club Team Manager.
